Introduction

The 16-19 Bursary Fund is a scheme set up by the government to help the most vulnerable young people aged 16-19 continue in full time education. Its purpose is to provide financial support to help students overcome specific barriers to participation, so that they can remain in education. Full details can be found on the gov.uk website.

Categories of Bursary

There are two types of 16-19 bursary

1. *Vulnerable Student Bursary*

Students in one of the defined vulnerable groups are eligible for up to £1200 per annum.

2. *Discretionary bursary (tier A & B)*

Students who qualify for Tier A will be eligible for up to £1000 per annum.

Students who qualify for Tier B will be eligible for up to £800 per annum.

Eligibility

The basic eligibility requirements of the scheme which are applicable to both vulnerable and discretionary bursaries are

- Age - students must be over 16 and under 19 at 31 August before the academic year in question. If a student turns 19 during their programme of study they can continue to receive the bursary to the end of the academic year in which they turn 19, or to the end of the programme of study, whichever is sooner.
- Residency – students must meet the residency criteria in the EFA funding regulations for post 16 provision. This document sets out the evidence required to confirm eligibility and can be found at <https://www.gov.uk/government/publications/advice-funding-regulations-for-post-16-provision>

The young person must then also meet the eligibility criteria for the category of bursary they are applying for:

1. Vulnerable Student Bursary

The defined vulnerable groups are students who are:

- in care
- care leavers
- receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
- receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right as well as Employment and Support Allowance (ESA) or UC in their own right

The allocation of these funds is subject to audit so West Kirby Grammar School will require evidence that the application is genuine. All information will be treated in confidence (copies of evidence will be retained for a period of 6 years).

Appropriate evidence required is stated on the application form.

2. Discretionary Student Bursary

West Kirby Grammar School has set two tiers of support based on household income.

- **Tier A** – If the household income is less than £16,190 (it is also likely you are eligible for free school meals). Please visit [Free School Meals | West Kirby Grammar School \(wkgs.org\)](https://www.wkgs.org) to check eligibility and register.
- **Tier B** – where the household income is above £16,190 below £25,000.

Allocation of Funds

Funds are allocated in accordance with the needs of individual students. If student's applications are successful, a letter will be sent out to inform parents and students of this. Students will then need to make a claim each term by completing the claim form and will need to include receipts for all stated items. Examples of what students can claim support for include any school related costs, such as:

- Transport costs (School buses paid directly to Calday once bursary is approved. For public buses – route and proof of ticket should be submitted with application form)
- Meals in school (reimbursement of any monies paid via Scopay)
- Essential school clothing (blazer, skirt, trousers, shoes – up to £150 per year)
- Course materials (books, stationery etc)
- Compulsory educational trips (students should inform the Finance Dept of their intention to attend and compulsory trips – additional trips are not covered)
- University visits (included open days, interviews etc)

Claims forms should be submitted, along with appropriate receipts, each half term on the following dates for 2022-23:

Monday 10th October

Monday 12th December

Monday 13th February

Monday 17th April

Monday 12th June

Claims submitted after this time will not be considered until the next assessment. **Payment is NOT guaranteed; students must meet the criteria below.**

Payments will be paid in kind where possible. When this is not possible, payment will be transferred to the **student's bank account** upon authorisation that the student has satisfied these requirements.

Conditions for receipt of student bursaries

Despite eligibility, students **do not** automatically receive the full amount as this is reviewed for each term. In order for payments to be authorised students must have:

- a good record of behaviour and punctuality
- Minimum of 95% attendance
- no unauthorised absences
- satisfactory assessment results and ATL

Payments will be made in arrears and in some cases there may be delays if there is a query regarding stated conditions. In this case, issues will be discussed with individual students (not parents). If a payment is not made, it is the responsibility of the student to monitor this and seek advice from Mrs Marley. If necessary, emergency funds can be authorised.

Students will be required to inform the school of any changes in their financial circumstances which may affect their eligibility for bursary funding. Students are required to reapply once moving from Y12 to Y13.

Applications

Application forms are available from the school website. Completed copies of the form should be submitted with copies of required evidence to the finance office.

Applications should be submitted **no later than Monday 19th September 2022** to ensure students can make their first claim before October half term.

Applications will still be considered after this date and throughout the year, for those students who may have a change to their circumstances. Payments will be made as appropriate. Each application will be considered on a case by case basis and discretionary payments may be offered.

Assessment

The Bursary Awards Panel (comprising a representative from Finance and the Assistant Head teacher) will assess each application with supporting evidence in the strictest confidence. Notification of acceptance is provided via email once approved. Copies of the evidence will be taken and kept on file; it is the responsibility of the student to collect original copies from the finance office.

Appeals

If students are deemed not eligible for the bursary fund, parents, Carers and students have the right of appeal to the Bursary Awards Panel; this should be done in writing to Imarley@wkgs.net
