Dear Parent/Carer

A Level Business and A Level Economics revision guides

We are offering all students studying A Level Business and A Level Economics the opportunity to purchase revision guides direct from school.

A Level Business and A Level Economics revision guides are specifically for the Edexcel examination board and cover all themes in their respective specification, which the students study during Years 12 - 13. The books are printed by Hodder, a renowned publisher of study guides.

A Level Business and A Level Economics Revision Guides are priced at £15.20 each.

Whilst purchase is not compulsory, we have found in the past that they do facilitate learning and revision.

As a school, we are able to purchase the guides at a reduced price, should the prices change, we will inform you immediately.

If you would like to purchase any of the guides please pay online indicating which guide(s) you require, by using the online payment system (if this is likely to cause any financial difficulties, please contact Mr S Clarke, Headteacher, in confidence by email to office@wkgs.net). Once the payment is received the Finance Department will alert the Head of Business and Economics and students will then be able to collect their book from Mrs Roberts in E3.

Yours sincerely

M Roberts
