

# AI's Coaches Ltd

05/06/23

To all parents and students,

This notice is to inform all concerned, that the A1 school route that serves Calday Grange Grammar School and West Kirby Grammar School will be terminating at the end of the current school year.

It has quickly become financially unviable to operate and the decision wasn't taken lightly but ultimately we have submitted our deregistration documents to the traffic commissioner.

We therefore will not be operating the service for the upcoming academic year and have attempted to give all the impacted parties as much notice as possible.

We would finally like to take this opportunity to thank all patrons that have used this service in previous years.

Yours Sincerely

Jack Foulkes
