

## **INSTRUMENTS LOOKING FOR GOOD HOMES!**

The Music Department has some instruments which are surplus to requirements due to upgrading our equipment. All instruments would benefit from being overhauled by a technician e.g. for new strings/bridges/nuts and bolts/reeds etc, but are ideal for beginners even though they may have a bit of wear and tear.

*Violins* – a number of  $\frac{1}{2}$  and  $\frac{3}{4}$  size violins, all of which have bows and cases which are serviceable, apart from one  $\frac{1}{2}$  size which does not have a case.

Also, two  $\frac{3}{4}$  size cellos with bows and soft cases .

Drums – Premier kit with all hardware apart from hi hat (lower cymbal missing)

Odd drums – a variety of toms, snare and bass

Clarinet – Jupiter with case
