

Interform Challenge

Community – Random acts of kindness

This half term students in years 7 – 11 have been reflecting on what it means to be part of the WKGS community and how they can make others smile through random acts of kindness.

7W, 7Y, 8B, 8S, 9K and 11Y were our winning forms:

7Y created a tree where the leaves explained their random acts of kindness

Members of 7W with their poster

8S shared some of their random acts of kindness which included giving out kind messages to teachers, making flapjack for family members and painting rocks with positive messages.

8B made smiley faces and wrote a lovely message on the back. These were then given to 7B to welcome them to the school.

9K made a video of their random acts of kindness

11Y summarised their random acts of kindness on a poster
