INSURANCE

Students will be covered by the school's travel insurance policy. If your child/ward has a European Health Insurance Card (EHIC) that will still be in date during the trip, they will be able to use this. If they do not, you will need to apply for Global Health Insurance Card on the NHS website. If you are reading the electronic version of this letter, you will find the address on the following link:

[Applying for healthcare cover abroad \(GHIC and EHIC\) - NHS \(www.nhs.uk\)](https://www.nhs.uk)

We have an extensive insurance policy but these cards allow for quick and easy access to healthcare in the unfortunate event it becomes necessary.

EUROPEAN VISA WAIVER (ETIAS)

The **European Travel Information and Authorisation System (ETIAS)** is a visa waiver system which will come into effect in 2024. All UK visitors to Germany will, therefore, need to complete the ETIAS online application and obtain an approved ETIAS visa waiver before entering the country, unless they are travelling on a passport from a Schengen area country. Currently, no charge is made for minors applying for the ETIAS visa waiver. More details will be sent to parents once the system has been fully introduced. The visa waiver will be processed quickly online for most applicants, provided that they are travelling on a passport from an eligible country. Further information can be found at: [ETIAS Visa Waiver | European Travel Authorisation System](#). UK passport holders should not have spent more than 90 days in the previous 180 days in a Schengen area country.

PAYMENTS

A deposit of £200 is required by Select School Tours and I would ask you to ensure that this is paid **by Friday 27th September**. Payments should be made via Scopay. You should also use Scopay to confirm your consent. Please ensure you provide any appropriate additional information on the electronic consent form when paying online. Please note that numbers for this trip are limited to 40 students.

2nd Payment

A second deposit of £200 will then be required by **Monday 30th October 2023**.

Payment of Balance

The final payment of £355 must be received by **Thursday 30th November 2023**.

Please also complete the attached slip giving passport information and return it to Mrs Wakefield once payment of the deposit has been made. Please ensure that the passport being used for travel is valid for at least 3 months after the day we leave Poland; it should therefore be valid until at least 7th June 2024.

Please also complete the online slip and medical form using the link which will be emailed to your daughter/son/ward following payment. Should you drop out then we reserve the right to keep this deposit until a replacement is found or an agreement with the insurers to cover the cost has been reached. Students on the trip will be expected to participate in the activities and also be able to eat the good food provided. It is possible to cater for vegetarians and other dietary requirements.

Yours sincerely

L Wakefield

Mrs L Wakefield
Head of Religious Studies

The school has a blanket School Journey Insurance policy in place to provide appropriate cancellation, curtailment, medical and personal possessions cover. This policy also carries very limited personal accident insurance cover for pupils. As the school will not be liable for any injury arising from incidents beyond our direct control, parents/carers may wish to consider purchasing their own personal accident cover to enhance the limited protection of this policy.
